Tsundere Experience - 4 Part Audio Mini-Series

She gets quite the big surprise, and he leaves a stain that she isn't going to be able to wash from her mind as easily as she can from her dress. Audio #35 - Let's Cum Together

7 minutes

This new recording is a little bit different than most of the scripted role-play/character recordings that I usually release. This is more of a personal, one-on-one type of encounter between You - and - Me... sort of "phone sex" style I guess you could call it. It started out as a request for a JOI recording, but I don't know if it's your typical jack off instruction style. It's not really me telling you what to do, per se. It's more of me explaining what I'd like to do if I were there, and you imitating it with your hand as you close your eyes and listen to my voice... and as you'll hear, I'm doing quite the same thing on my end. But I think I may have lost the stamina race, because I just couldn't hold out any longer! *giggles*

Audio #44 - Identical Opposites

12 minutes

Mylie is a little sex maniac, and her twin sister Kylie is such a prudish little virgin... they are complete opposites. But when Mylie starts a secret affair with one of her teachers who is into rape roleplay, she starts fantasizing about how hot it would be if he were to force himself on her innocent twin by mistake. So, it turned into an accomplice type of story, and I really like the way it seemed to take on a life of it's own as I was writing it.

Audio #78 - Virgin Bride Prefers Bully's Cock

6 minutes

This is a completely exaggerated tale of a pure, virgin bride-to-be making a complete mockery of her soon-to-be husband, by cheating on him with his biggest rival/bully. Not just cheating, but plotting to get knocked up and leave her super-oblivious fiance completely in the dark about it all. And honestly, if he hasn't figured out what's going on by the end of this recording, then the bozo deserves whatever he gets, right?

Audio #83 - You Know You Want To, Brother

11 minutes

From a new script writer, comes a teenage girl who has picked up a few tricks from her hypnotherapy sessions, and decides to have a bit of fun at her older (step)brother's expense. After a few minutes he's like putty in her hands, and soon after, he's making a big, sticky mess in his! If you like the idea of mind control, cum countdowns, and a little tease of a foot job thrown in for giggles, I think you'll enjoy this 11 minute recording. I really like how it turned out, and I hope he'll be writing more for us in the future!

Audio #116 - Fuck Me With That Cock, Girl (Bi-F & Futa)

6 minutes

Two beautiful young women in a sexual relationship isn't what you might consider a rare occurrence these days... except when one of them is a voluptuous Futa. Alice and Emily haven't been together in several weeks, and after everyone has gone home for the day they sneak off to the school locker room to have some fun. By the time they're done, they definitely are going to need that shower!

Audio #131 - Unscripted Masturbation

6 minutes

One of my script writers made a special request, asking me to forego the usual scripted fantasy for this reward and just record myself masturbating, saying that he wanted to hear me cum, rather than to hear a fantasy. So what you have here is the completely unscripted, impromptu ramblings of a horny girl while I play with myself, telling you all the things that I like to think about when I want to make myself cum... and mmmm, that was a yummy orgasm! *blush*

Audio #133 - First Date With A Futa

10 minutes

The Headmaster who used to write the Futa Babysitter series has shifted gears thanks to the new content guidelines. After a few weeks of very explicit chatting online, tonight you find yourself on your first real date with the girl of your dreams.... sweet and beautiful, and more hung than you ever imagined!

Audio #150 - Nurse Alice Lends A Hand

5 minutes

This one may only be 5 minutes long, but it's incredibly hot! Ashley is feeling a lot of stress and anxiety, so she pops in to see the school nurse for some advice. When asking some routine questions, Nurse Alice is shocked to learn that the pretty little Honor Student has never masturbated before! She informs her that it sounds like a case of Sexual Frustration, and she needs some release... immediately. It's a good thing Nurse Alice is so skilled with her hands!

Audio #152 - ParkNRide

6 minutes

Jess is running late for her classes (as usual) and can't find a parking spot to catch the campus train in time. When she finally spies someone leaving, she gets so excited that she doesn't see the dude waiting in his truck who zips into the vacant spot before she can! She decides to go do a bit of flirting to see if she can convince him to let her park there, but he decides to make her earn it. (A bit of tongue-in-cheek fun with a very special guest - my *Daddy!*)

Audio #172 - Share and Share Alike

9 minutes

Nadia is one of those lucky wives who has a very satisfying sex life with her husband. For the most part, he's quite a beast in the sack...so much so that he often fucks her to exhaustion and she falls right asleep afterwards, his cum still leaking from her, tonight being no exception. After nodding for a short while though, she's awakened by a finger teasing her sloppy entrance, apparently wanting to go for round two already. But something just feels different... and then that wonderful tongue suddenly lapping around her asshole makes her realize she's right - her husband would never do that!

Audio #178 - Carmen's Dad

15 minutes

When a girl from school offers this classmate a ride home, all her attention is focused on the hot guy who's in the car with them. Turns out that it's not her boyfriend or her brother, it's her friend Carmen's dad! Having a thing for older guys anyway, she instantly agrees to go back to Carmen's house and hang out... and then accepts the offer to sleep over. As it turns out, it's a very good thing that Carmen is such a heavy sleeper!

Audio #204 - DD Consulting

9 minutes

Written by Aika as one of the patron-only epilogues in his mental corruption game [Trap Quest](#), it introduces us to a player-character who has evolved through the game and then gone on to get married, but is an insatiable slut now. She leads us through a typically lewd day at the office, while she chastises her poor husband as he listens in on the phone. She's fulfilling each one of the bosses sexual needs, all while trying to "soften the blow" to her husband, pretending to just be doing their secretarial work, and basically accusing him of being a huge pervert for thinking otherwise. It's quite amusing, and totally hot!

Audio #213 - Wedding Photographer

18 minutes

A sensual, sexy but sweet tale of a photographer who sets her best friends up on a blind date, and they end up falling in love and getting married. She offers to be their wedding photographer, and after the wedding they ask her to take more intimate photos in their suite as they kickoff their honeymoon. Turns out both the bride and groom are still virgins, and while taking photos, she give them lots of directions on how to please their new spouse, getting quite hot and bothered herself in the process.

Audio #218 - A Gentle Haunting

20 minutes

A supernatural romance by [/u/Orpheus_the_Traveler](#) about a ghost who inhabits the apartment where she died and is now trapped there for eternity, and the young man who unknowingly rents said apartment. She is there 24/7, watching everything he does, spending days and nights with him and he has no idea he's being watched. She develops feelings for him, and especially enjoys watching him masturbating while he assumes he is alone. Then one night, suddenly he SEES her, and hears her voice. To her this is a miracle, to him it must be terrifying... but somehow they come to meet in the middle and end up enjoying an amazing moment of intimacy, that blossoms into a relationship between the unlikely pair. (This one is a bit emotional and pulls at the heartstrings, but also has a very sexy masturbation scene where she possesses him and uses his own hand to jerk him off!)

Audio #221 - The Debutante's Gardener

13 minutes

A new script written by Peppa, who also is the writer behind the short series My Neighbor Brooke! This little southern belle comes home from boarding school to her wealthy family's estate, and loves to tease and fantasize about all the black servants and workers having their way with her. One day, while her parents are away, she decides to put her plan into action and gets the gardener to introduce her to his big black snake!

Audio #225 - Colony Breeder

16 minutes

I fell in love with this script by [u/Indras1](#) and I really enjoyed both recording it, and peppering in the sound effects. It's a glimpse into a bleak future, one where males humans are almost extinct, and the few that still remain are designated as breeding males, kept fully restrained but comfortable, and treated like priceless livestock. Females undergo extensive fertility testing and those with the best chance of bearing children are called upon to breed with the rare males. Most women have never even met a man before, much less has physical contact with one, so luckily they are given step-by-step instructions so they know what to do.

Audio #226 - Artemis & The Huntress

16 minutes

Artemis, the daughter of Zeus and Goddess of the hunt, was also known as the Forever Virgin, remaining chaste for eternity. When a cloaked hunter spies upon her while bathing, she is about to take his life until the hunter lowers his cloak and she finds that it is in fact, a huntress, and a pretty one at that. Upon learning that the huntress is also a virgin, she bargains with the girl to spare her in exchange for, well.... I don't need to spell it out for you, do I? *wink* Thanks to [u/LateStageInfernalism](#) for the script!

Audio #227 - My Hot Wife

41 minutes!

Being the only married guy in his group of friends, he was always proud of his wife Tina and her gorgeous body. His friends had never been very discrete when they stared at her ample tits, but knowing he was the one who was going home with her made it sort of exciting. So when they suggested a game of spin the bottle one night, he didn't think much of it. But he never imagined exactly how far things were going to go, or how much his wife would enjoy cuckolding him with his friends.

Audio #229 - Rumor Has It

15 minutes

She's heard stories about the new guy packing some serious meat in his shorts. And when she spots him at the pool party, she can't think of a better opportunity to find out if the rumors are true! Her girlfriends are too shy but she's not, so she makes her way into the waist deep waters to *accidentally* bump into him and introduce herself to his not-so-little friend. But what she feels has to be seen to be believed, so she tells him to meet her around the side of the house for a little show and tell, that quickly turns into a JOI session for her entertainment. Thanks to [u/warmcupnextdoor](#) for the fun script!

Audio #252 - Wife's Fun Date

11 minutes

She has no problem finding men who are into fucking someone else's wife, but not often do they treat her to a fancy dinner date first, so tonight's guest-star is off to an impressive start. Arriving back at her place, she reminds him that her husband likes to watch, but there's more to it than that. When she brings her new lover to the bedroom, he discovers that her husband also likes being tied up and caged, helpless to interfere as he watches his beloved gets the sort of fucking she deserves.

But it will take a few days to repair her shuttle, so he agrees to hide her in the meantime, and once they are ready for bed her curious nature kicks in and she expresses the desire to repay him for his kindness and hospitality. Big thanks to [u/angel_main](#) for the script!

Audio #278 - Forgive Me Father

11 minutes

A young novitiate at the convent turns to her handsome priest to confess that her thoughts have not been pure. She has been having such deviant fantasies about a man... touching herself again and again, but to no avail. She can't seem to satisfy these wicked desires, and worries that she shouldn't take her vows, because how can she hope to become a nun when all she truly wants is to give in to such temptations?

Audio #288 - Expose Me Part 1

16 minutes

So many of us have made the mistake of using their work phone for personal use. Janet had no idea when she took all those lewd photos of herself that one day her company would apply a software update that would cause all her images to be uploaded to the company's intranet! That was, until she receive an anonymous email from one of her co-workers who had seen everything - absolutely EVERYTHING! She immediately deleted it all from her account, but he isn't really the forgive and forget type, and soon she finds herself doing things she never dreamed of, all for a man who knows her most private secrets - but she doesn't know which one of her co-workers he is. What choice does she have, he could *expose* her...
